**NARROW
FOOT BED
DIAGRAM**

THIS BOX
MUST
MEASURE
1" X 1"

1. Have patient stand on paper with the back of the heel aligned with thick black line. 2. Make sure the toes are flat on the paper.
3. Write the size of the outline indicating the longest toe on each foot. 4. If the toe falls between two outlines, use the longest outline.
5. Record measurements for left and right feet on foot tracing sheet.
